

Questions to ask about post secondary school:

Why did you select your school?

Approximately how many students are enrolled at your school?

What are your school's standards for acceptance (grades, SATs, ACTs)?

Did you visit your school before applying/attending?

How large are your class sizes?

Are you paired with an academic advisor? If yes, are they helpful? How often do you get to meet with him/her?

How do you schedule your classes (online, w/advisor,etc.)?

Is your school located in an urban, suburban, or rural setting?

Do you feel safe on your campus?

Are you allowed to have a car on campus? If yes, would you recommend it and are there additional fees for having a car?

Is there public transportation available?

What kinds of extracurricular activities are available on the campus and in the community?

What do you like / dislike about your school?

Questions to ask about Majors/Programs:

Why did you initially select your major/program?

Once you got into your major/program, how did your opinion of your major/program evolve?

What key aspects of your major/program most interest you?

What top five skills do you feel you need to have to succeed in your major/program?

What courses have you taken so far that relate to your major/program?

Are there any classes that you wish you would have taken in high school to prepare you for your major/program?

What career field(s) does your major/program prepare you for?

What parts of your major/program have you not enjoyed? Have certain courses or areas of study bored you?

Have you changed your major/program since starting your post-secondary school?
