To Whom It May Concern:

Hi! I am writing this letter with a heavy heart. I am resigning as the Head Coach for the Cheerleaders for Football and Basketball. There are many reasons for my resignation. The most important one is that my husband and I are adopting two kids who need our attention. I feel that I can not dedicate the time to the sport as I should. Thank You for the experience I had with working with the Wellsboro Area High School.

Sincerely,

Tara Gordon
