

Buildings & Grounds Committee Minutes March 28, 2024

Location: Rock L. Butler Middle School

Date: March 28, 2024

Time: Approximately 9:30 a.m. (at the conclusion of construction mtg)

I. Call to Order: The meeting was called to order by Al Bieber at 9:32 am on March 28, 2024

II. Attendance: Ben Miller, Robert Kreger, Rick Warren, Al Bieber

III. Old business -

- a) High School Roof Update: Mr. Warren reported the scan of the HS Roof was completed and is currently being reviewed.
- b) Middle School Sewer Line Replacement Timeline: Mr. Warren reported that it would be completed some time after July 1, 2024
- c) Update on Stadium Restroom Project: Mr. Warren reported the pad for the structure has been completed. Update: Bathrooms are scheduled to arrive in Mid-May.
- d) High School Bleacher Cleanliness: A concern was brought up regarding the cleanliness of the HS Bleachers. Mr. Warren reported the bleachers are being cleaned but will be cleaned better.
- e) Administration Building Outside Lighting: Mr. Kreger reported a cost of \$135,000 for the project. It was noted that Quad 3 will not be used for the architectural services on this project. Mr. Kreger and Mr. Warren will contact Gordy Newlin for possible lighting. Note: This project falls within bid limits, therefore, a bid will need to be obtained when the project is

undertaken. Additionally, a safety grant was written by Mrs. Coots to obtain funding for this project.

IV. New Business

- a) Summer Maintenance Help: Mr. Warren noted that 3 students are interested in working in the summer.
- b) Life-Vac System: Mr. Kreger is looking into the possibility of purchasing this device which is used to help stop a patient from choking.

V. Other business:

VI. Adjournment: The meeting was adjourned at 10:13 a.m.
