SECTION: LOCAL BOARD PROCEDURES

TITLE: BOARD MEMBER PARTICIPATION  
AT PUBLIC MEETINGS VIA ELECTRONIC  
COMMUNICATIONS

ADOPTED: August 2, 2016

REVISED:

## 006.1 BOARD MEMBER PARTICIPATION AT PUBLIC MEETINGS VIA ELECTRONIC COMMUNICATION

### Section 1. Purpose

Each Board member is strongly encouraged to attend the Board's public meetings in order to fulfill the duties of their office. While history demonstrates that Board members are committed to regularly attending public meetings, there are occasions when work, family, or personal commitments compel Board members to be absent from Board meetings.

As a result of technological advances, Board members are fully capable of participating in public meeting deliberations even when they are unable to be physically present at those meetings. The Board wants to allow its members who are unable to be physically present at public meetings to nonetheless participate in them under certain limited circumstances.

The board recognizes that in *Babac v. Pennsylvania Milk Marketing Board*, the Pennsylvania Supreme Court ruled that a public official may participate in a public meeting via speaker phone without violating the Sunshine Act, provided the following conditions are satisfied: (1) the official can hear the comments of those speaking at the meeting; (2) the official can speak to all those present at the meeting; and (3) the official is able to interact contemporaneously as if s/he was present at the meeting. Since *Babac* was decided other technologies have been developed that would allow public officials to remotely participate in public meetings in a similar manner contemplated in this decision.

Therefore, the Board adopts this policy to authorize its members to participate in public meetings via electronic communications from time to time, in a manner that complies with the applicable law and the requirements of this policy. This policy is not intended to undermine the strong preference for Board members to be physically present for public meetings, but to simply allow Board members to utilize technology on occasion to participate in public meetings when other legitimate obligations prevent them from doing so.

Section 2. Definitions

For purposes of this policy, the terms listed below are defined as follows:
