Mrs. Marcia A. Holsomback

Paraprofessional

Don Gill Elementary

Wellsboro, PA 16901

To Whom It May Concern:

Please accept this resignation as a Paraprofessional at the Don Gill Elementary School effective August 16, 2017. While the decision to leave was not easy due to the fact that I am emotionally attached to the school and the students. Although, I have been given an opportunity to work for another school district for greater income and more hours.

I am immensely grateful for the various skills that you allowed me to gain while I was in your employment and the subsequent position that I am gaining will be thanks to the experience that the Don Gill Elementary School has given me. The sole reason for leaving the school district is only for improving income for my family. The school district was of no fault due to the fact of my resignation.

During the time that I have spent at the Don Gill Elementary, I took the opportunity to gain experience through my co-workers and students. They have shown me valuable lessons that I greatly appreciate and will carry with me throughout my career.

Working under your supervision was a great experience and I would like to thank you for being wonderful to me during my employment with the school district. I will sadly miss all that I have worked with and of course the students. Please consider me leaving on good terms and if I venture back the Wellsboro School district in the future that you would still consider me for a position if it arises.
