Dear Bonnie:

As we discussed, the former municipal bond lawyers of Rhoads & Sinon LLP have joined the law firm of Eckert Seamans Cherin & Mellott, LLC and Rhoads & Sinon LLP has ceased operations. In order to transfer your files, I am required by the Rules of Professional Conduct to obtain your consent, as well as to inform you of your right to retain other counsel if you so choose.

If you wish for us to continue to serve as your bond counsel of record, please so indicate and sign below. If you wish to retain other counsel, the applicable electronic and physical files will be transferred to the firm of your choosing. Please select below, sign and return to my attention via email to jcox@eckertseamans.com. **A scanned copy with your signature will suffice.**

I want you to continue to serve as our bond counsel of record through the law firm of Eckert Seamans Cherin & Mellott, LLC.

I want to engage other counsel as follows: _____

Signed: _____

Very truly yours,

Eckert Seamans Cherin & Mellott, LLC
