Dear Mr. Rendos,

I am sending this letter to inform you that I will be resigning from my position as head coach of the Lady Hornets. Due to the relationships made with players and parents, this was not an easy decision. Open gyms, clinics, camps, offseason leagues and tournaments: coaching basketball for me is an all year round adventure. Even though I really enjoy the offseason workouts with the girls, it is time for me to focus on my family.

I will always be grateful to you and the administration for providing me the support and tools to achieve the accomplishments we have had. I wish the girls success and will be cheering them on in the seasons to come!

Sincerely,

John Davis
