To whom it may concern:

I am writing this letter to tell you that I will be resigning from my position at WASD. My job is not the job it was when I was hired. I have been put in situations that I am not comfortable with and I know this situation is not going to change. I would like the opportunity to substitute in other departments, as I enjoy working with the students. The job I have now will give me some days that I will be able to do this. I also needed to find a job with better pay and summer hours. I appreciate you giving me the opportunity.

Thank you,
