

Dr. Freeman and the Board of Directors,

I am writing to inform you of my resignation from teaching at Wellsboro Area School District. I want to thank Dr. Freeman and all of the administrators who have provided guidance and support and helped me to grow as a person and a teacher. A special thank you to Mr. Waber and Mr. Hewitt who gave me an opportunity to teach directly out of college. I must also thank my peers who challenge me on a daily basis and are a truly special group of people. The last twelve years have been an amazing experience and leaving Wellsboro has been the toughest decision of my life. I challenge my students to dream and to chase those dreams with a passion because anything is possible. I have been given the opportunity to fulfill a dream of mine and become a professional soccer coach. I want to set an example for my students and my own children to chase your dreams. With hard work, anything is possible.

My sincerest regards,

John W. Shaffer
