Memorandum of Understanding Between Intermediate Unit 17 and the Wellsboro Area School District

The purpose of this letter is to summarize the agreement between Intermediate Unit 17 (IU 17) and the Wellsboro Area School District (District) relating to the provision of telepractice speech/language therapy support.

Services to be rendered:

- IU 17 will contract with Chester County Intermediate Unit for the provision of speech/language therapists via telepractice during the 2018-19 school year. IU 17 will then make the service available to the District for use in supporting the District's students as needed. The anticipated start date for services is March 3, 2019. Schedule and duration of services will be determined jointly between the District, IU 17, and Chester County Intermediate Unit in order to accommodate the needs and interests of all parties.

District Responsibilities:

- The District will make staff and resources available to support the telepractice, including all necessary technology hardware and required internet connectivity. The District will be solely responsible for ensuring that the speech/language therapy being provided through telepractice is of adequate duration and is provided in a manner that fulfills the requirements of each student's IEP.

Fees and costs:

The District will be billed the actual costs charged by Chester County Intermediate Unit to IU 17, which will be reconciled and invoiced with IU 17 Special Education contract billing. There will be no administrative fee charged by IU 17 for this service. The billed rate will be calculated at \$115.38 per hour for individual service and \$69.22 per hour for group services.

Christina Steinbacher-Reed
Executive Director, IU 17

Brenda Freeman
Superintendent, Wellsboro Area School District
