Dear Mr. Pietropola,

I am writing to inform you of my resignation as Athletic Director at the conclusion of the 2018-2019 school year. It has been an honor and a privilege to serve as Athletic Director of Wellsboro School District over the last seven years. It is my sincerest hope that I served the student-athletes of Wellsboro School District well.

I want to thank you for your guidance over the last year and a half as well as all the other administrators that I had the privilege to serve under.

Additionally, I want to thank all the coaches, paid and volunteer, who dedicate endless hours of their time to the student-athletes of Wellsboro. Wellsboro School District is blessed with great coaches/mentors that help student-athletes grow as young men and women outside of the classroom. Athletics are an integral part of many student's lives and these coaches play a big part in the lives of these young men and women.

I will assist in any way possible through this transition. Please be assured that all athletic duties will be fulfilled for when the new Athletic Director takes the helm. Additionally, I would assist and mentor the new AD in any way possible in the future to ensure a smooth transition.

Again, thank you so much for this wonderful opportunity over the last seven years. I have enjoyed this position greatly!

Sincerely,

Matthew J. Rendos
