TERMS AND CONDITIONS

1. Owner is responsible for the disposal of old doors and frames.
2. L.C.D. will remove old doors and frames, only when specified in the quote or PO.
3. Finish carpentry and painting is the responsibility of the owner.
4. Owner is responsible for the wiring of any existing electrical systems.
i.e. (Intercom, Fire alarm, Monitoring, Electrical interface system) to our supplied electrical hardware unless specified otherwise.
5. Any Computer or Networking support must be provided by the customer, L.C.D. does not work on the customers computer, servers or wiring that may require IT support.
6. L.C.D. requires two weeks notice, before the drywall is installed, to pull the wires for any access control system or door hardware.
7. If the customer pulls wire for access control system or door hardware, and it is incorrect (or) changes are needed, L.C.D. will charge time and material to make the correction.
8. If L.C.D. has to leave the project while the wiring is being corrected, by others, a job add of time and a service call will be added to the price of the job.
9. L.C.D. does not run or replace any 120VAC electrical wires.
10. Property owners are responsible for all permits.
11. L.C.D. does not guarantee the installation of used hardware or hardware that the customer purchases from somewhere other than L.C.D. of Williamsport.
12. The Lezzer credit manager must approve a credit application before an order is placed. A deposit may be required.
13. When L.C.D. creates a new master keying system, we only key to factory specs. We do not guarantee cross keying, nor will we warranty the plug and cylinder of a cross-keyed lock.
14. There will be a service charge on all orders requiring cross keying.
15. Prices are good for 30 days.
16. Wrong, Damaged, or Incorrect Material must be returned within 30 day. No exceptions.
17. Price does not include tax.
