Good Afternoon Dr. Freeman,

I wanted to take a few minutes to thank you for giving me a chance to coach here in the Wellsboro School District. As you know I have always enjoyed coaching. I do feel that at this point in time I am probably not the person for this position. I have really enjoyed working with the team. I just think that there may be someone out there who can move the team to where they need to be. I am giving you my resignation for the position of HS Girls Soccer coach.

Thank you again for trusting me with this position, we had a great group of girls.

Sincerely,

Scott Burrous
