Mr. Rob Kreger
Wellsboro Area School District
227 Nichols Street
Wellsboro, PA 16901

RE: High School Greenhouse
Quad3 Project No.: 12751.08

Dear Mr. Kreger:

In response to your request, below please find our proposal for professional services relative to the above.

We understand the District intends to replace an existing greenhouse with a new unit. From our conversations on site, the District's preference is to utilize as much of the existing greenhouse foundation as possible. The intent is to remove the existing greenhouse, lower existing masonry walls and construct a new greenhouse over top of this area and extending towards high school. The overall unit will be approximately 1,100 square feet and the four walls will be set on new masonry walls similar to existing.

We can provide the architectural, structural, plumbing and electrical design for a fee of **Seven Thousand Five Hundred (\$7,500.00) Dollars** plus reimbursable expenses.

The following services are not included in our fee however can be provided as additional services and fees: civil design; surveying; NPDES; E & S; planning and zoning submissions and approvals, permit and inspection fees.

We thank you for the opportunity to submit this proposal and look forward to working with you. If this proposal is acceptable to you, we have provided a line for your signature which shall act as our authorization to proceed.

Should you have any questions, please do not hesitate to contact me at 570.829.4200, Ext. 279.

Sincerely,

QUAD THREE GROUP, INC.
