Mr. Rob Kreger  
Acting Superintendent  
25 Nichols Street  
Wellsboro, PA 16901

Mr. Kreger:

It is with regret that I inform you that I am asking to resign as the adviser for the Rock L. Butler Middle School Future Business Leaders of America (FBLA) chapter.

Having started this chapter 10 years ago, I am very grateful for this experience that allowed me the opportunity to work with middle school students in grades 5 through 8 on their leadership and business skills while also building connections within our local community.

Due to some personal and health reasons, I unfortunately find it necessary to give up this position effective immediately and apologize for any undue burden this places on you, other administration, or any of my colleagues to help finish out this year to be as seamless as possible for our students.

I greatly appreciate your support and help throughout the years, and wish you and our students the best, as always. Thank you for your understanding.

Sincerely,

Denise R. Route
