To Karen Farrer, the Wellsboro Area School Board, and the teachers and staff at Don Gill Elementary,

It is hard to put into words how much I have enjoyed working at Don Gill over the last few months. When I interviewed for the position of Learning Support Aide I was so sure that I wanted to work at Charlotte Lappla. I was a little disappointed when I was placed at Don Gill, but within the first two weeks of working there I realized I didn't want to be anywhere else. The kids are easy to love; for me, that's a given. But the teachers, aides, and staff at Don Gill are incredible. I have loved working with everyone, truly LOVED it. It has been an honor and an absolute joy to be part of such an amazing team of educators. That makes this next part very hard.

I have been offered and I accepted a teaching position at Trinity Lutheran School. The decisions to apply for and accept the job were very difficult to make, but it was an opportunity I could not pass up. I believe that everything happens for a reason. My time at Don Gill has rekindled my passion for teaching and renewed my confidence in my ability to be a great teacher. I will carry that passion and confidence with me into my new position at Trinity.

It is with sadness that I submit this letter as my formal resignation from my position as Learning Support Aide with the Wellsboro Area School District, effective at the end of the extended school year. I am deeply grateful for the opportunity to work at such a great school with the most amazing people. I am excited to start my new teaching adventure, but I will miss my Don Gill family. I hope you all have an incredible 2022-23 school year!

Sincerely,

Juliana Snowburg
