Attn: Mrs. Alanna Huck and WASD Board of Directors

Dear Superintendent Huck and WASD Board of Directors:

After thoughtful consideration, I have decided to resign from my teaching position with the district, effective today. I sincerely apologize for making this decision so late in the summer, but it hinged on some factors that were unknown to me until now. I was in hopes there might be some scheduling changes for next year which would make it more feasible for me to continue teaching, however, I now realize this is not to be.

This past school year I taught seven 42-minute classes per day as well as monitoring a club period and outdoor bus duty. (Prior to this, five or six instructional classes per day was typical.) I taught FCS classes to every student in the middle school twice throughout the year, which was too much for the students and for me, and I became well aware that this was not a pace I can continue. Unfortunately, the schedule for next year appears to be the same and I cannot take on that amount of stress and exhaustion again.

With that said, however, I am very grateful to have had the chance to be part of the district for the past 16 years. I have enjoyed it very much and hope I have been able to make a positive impact on the students. Our WASD colleagues are a wonderful group of people doing amazing work, and I will take along many fond memories of my time here. Thank you for everything.

Sincerely,

Jill Z. Marple
