Karen,

I need to let you know that I'm leaving my position as a paraprofessional with the school district. I was offered another job with a significant pay increase and I just can't afford to turn that down. This was a hard decision to make considering I loved being able to work with the kids, but it's the right decision for my family. Thank you for everything that you've done for me both personally with Joseph and professionally. I certainly appreciate it!
