Re: High School Volleyball Head Coach

Dear Board Members:

After over thirty years of coaching volleyball, it is with heavy heart that I am resigning from the position of HS Volleyball Head Coach. I apologize for the timing, but in preparing for the upcoming season, it has become apparent that I can no longer provide the program with the time and energy it deserves. It is time to move on.

I am sincerely grateful for the opportunity to have represented the District. It has been a pleasure to work with Matt Rendos and the entire athletic department. I believe the volleyball program is in good hands and the future looks bright.

I am happy to help however I can to make the new coach's transition as smooth as possible. Please reach out to me regarding anything I can do to assist during this time.

Sincerely,

Sharon L. Zuchowski

cc: Matthew Rendos, Athletic Director
