

To Whom it May Concern,

I greatly enjoyed being a part of the Wellsboro Girls Softball Coaching Staff during the 2022 school year. It was a great experience and I learned so much from the girls and the coaching staff. However, I am regretfully resigning from the position of the High School Softball Assistant Coach. I have recently changed jobs to a different school district and have moved. As a result, the practice schedule will not be conducive to my current situation, and I would not be able to make as many games due to my work schedule. Thank you for the opportunity to work as a part of the Softball Coaching Staff and I am hoping the program continues on the path to success.
