

9/21/22

To Whom It May Concern,

I, Felicia Kizer regretfully resign as a paraprofessional for the Wellsboro Area School District as of 9/20/22. Due to unforeseen circumstances that have left me with no vehicle to travel to and from work I can no longer fulfill my employment. I apologize for the inconvenience this will cause and the short notice. I am thankful to have had the opportunity to work for the Wellsboro School District with amazing people.

Respectfully,

Felicia Kizer
