The three components are Interscholastic Unified Sports, inclusive youth leadership, and whole school engagement.

These programs will be offered in Wellsboro High School, and the length of the agreement is from the date of the signing of this MOU through June 30, 2024. A new Memorandum of Understanding will be updated for each subsequent year of the partnership.

**Wellsboro High School**

Wellsboro High School agrees to the following in support of the Unified Champion Schools (UCS) program:

- Abide by the requirements outlined in this Memorandum of Understanding and any applicable Special Olympics Pennsylvania policies, sports rules, and program deadlines
- Ensure school's teacher/chaperone to student ratio policies are adhered to at all times. If the school decides to participate in an overnight travel event, there is a required 4:1 student to chaperone ratio. Additionally, any overnight events will follow SOPA's Housing Policy governing room assignments (available at [www.specialolympicspa.org](http://www.specialolympicspa.org)).
- Ensure background checks are completed for all coaches and volunteers in accordance with Pennsylvania's state legal requirements. School will provide a copy of its background check policy to SOPA if requested. The head Unified Indoor Bocce coach is hired by October 1.
- **Interscholastic Unified Sports:** Have a high school Interscholastic Unified Indoor Bocce team which has a proportional number of Special Olympics-eligible athletes (defined as students with an intellectual disability or developmental disability including autism with a cognitive delay) and students without an intellectual disability. Only students enrolled in the 9<sup>th</sup>-12<sup>th</sup> grades are eligible, including any up to the age of 21 receiving services from the school district.
  - The team practices after school a minimum of twice a week for 10-11 weeks. First practices begin the week of November 20 and the regular season ends by the first week of March (depending on the date of the regional championships). This aligns with the Pennsylvania Interscholastic Athletic Association winter sports season.
  - Additionally, the high school's Unified Indoor Bocce team participates in a minimum of four regular season competitions as well as any playoffs. The school district is responsible for providing transportation for the competitions.
  - Coaches are required to complete the free Special Olympics Unified Sports online course and attend the Unified Indoor Bocce in-person training. They also agree to fulfill the responsibilities in the SOPA coach's job description.
- **Inclusive Youth Leadership:** There is a structured inclusive youth leadership club led by students with and without intellectual disabilities. It may be a new Unified Club or an existing group. This club meets at least once or twice per month and organizes activities to improve school climate, and promote the values of inclusion, respect, and understanding in their school community. Additionally, four students and a teacher attend a five hour Youth Summit conducted by SOPA on a school day to learn about inclusive leadership.
- **Whole School Engagement:** The inclusive youth leadership club plans and conducts a minimum of three whole school engagement activities which focus on inclusion, respect, and improved school climate. Technical support will be provided by SOPA staff, as well as funding resources for materials as defined in the previous section.
- Ensure success through the involvement and support of the high school's principal, athletic director, special education director, teachers, and staff for the UCS program.
- Complete and submit short mid-term and year-end reporting requirements for a United States Department of Education Unified Champion Schools grant that provides partial funding support.
