With the elimination of Construction for 23-24 by the LAC and Stakeholders

Inability to find 9 credits for articulation cited in our Perkin’s Monitoring

Focus on all student in Carpentry

Remember non trad indicator- will restart, should not be on an improvement plan

Minimum of 8 in a program

Must have 4 Bus/Industry- Thank you for everyone in B/I that came today.

- ii. Instructional Materials-
- iii. Field trips, on the job training, work-based experiences, guest speakers- Students were able to participate in Manufacturing Day and next year will be explicitly including the trades.

The sophomore's seemed to be the most interested in construction. Kristin shared there is a job fair in April and we want to see WAHS students. The email has been sent to guidance counselors.

- e. Analysis of NOCTI test- No data (some students do struggle when given). Mike Shrek will administer to 3 students at the end of April.
- f. Placement After Graduation (H): Adding Dual Enrollment PCT Power Tools with a new textbook. This would provide exposure to college content and students would have a connect to the PCT construction program. (Credit applies no matter which program students enroll in.)

Students who are willing to work are having no issue with finding a job.

Post-Secondary Placement Indicator- current focus  
[NEW Northern PA Regional College Workforce](#) -Electrical Technician, HVAC (limitation 18 yrs.)

- g. Program Evaluation (H): Verification of Industry Standard and Student Competencies are being Achieved: Shared the PDE approved credentials
