To whom it may concern:

I am writing to inform you that I will not be returning as the assistant junior high volleyball coach this year. I loved coaching this past year but with my daughter going up to junior varsity our schedules would have too many conflicts for me to coach and enjoy watching her play. Once again thank you for giving me the opportunity to coach last year. I truly loved every minute of it!

Renee Frazier

A handwritten signature in black ink that reads "Renee Frazier". The signature is written in a cursive, flowing style.
