Subject: Resignation

Good Morning Mrs. Huck,

I am saddened to have to write to you that I've accepted a full-time position at UPMC and will be leaving the Don Gill. My last day will be 3/15/24. I have spoken with Mr. Adams and let him know. I wanted to make you aware, as well.

I have truly enjoyed working with the WASD. You have some wonderful humans in this school, and I will miss being here!! Please accept this as my official letter of resignation.

Thank you,

Valery Weaver
