Wellsboro Area School District

Wellsboro, PA 16901

Dear Sir,

I am interested in becoming a Custodial Substitute for the Wellsboro Area School District. I have been enrolled in Edinboro University and seeking employment during my summer break from college. I am willing to work any and all hours available.

I have been living the dorm life and understand some of the duties involved in keeping a campus clean and maintained to a certain level of expectations.

My contact information is listed below, thank you for your consideration of my interest. I look forward to hearing from you in the near future.
